Mr. E. William Radlinski
Illinois Environmental Protection Agency
2200 Churchill Road
Springfield, Illinois 62706

RECEIVED

OCT 01 1987

Dear Mr. Radlinski:

ENVIRONMENTAL REVIEW BRANCH
PLANNING & MANAGEMENT DIV.

Enclosed, please find the following inspection reports and assessments

received by the Region V Office of Underground Storage Tanks:

1. Rock Island Army Arsenal, Rock Island, Illinois
2. Installation Restoration Program Phase II/IV-A
Site Assessment, Scott Air Force Base, Belleville,
Illinois

As we agreed at the Fiscal Year 1987 Third Quarter Evaluation, copies of these inspection reports and assessments are being sent to your attention, since the State of Illinois has the inspection enforcement lead in the underground storage tank (UST) program. We will discuss the role of Illinois further, upon receipt of the Illinois Fiscal Year 1988 Cooperative Agreements for the UST and the Leaking Underground Storage Tank (LUST) programs.

Sincerely,

Diane M. Sharrow
Illinois/Michigan Program Manager
Office of Underground Storage Tanks
